

CONTRIBUTING MEMBERSHIP

Several years ago in 2000 the Foundation began a Contributing Membership program, open to all Lions, Lionesses, Leos, and friends of Lionism. For a contribution of \$10.00, payable each year, the member receives a lapel pin and a membership card. Attached to the pin is a rocker, which indicates the year of the membership.

Each year that a member continues to contribute, a rocker for that year will be issued. Membership in this program approaches 1000.

Starting in 2005 we added a 5-year tab, which will be provided to any member who requests it and has, contributes for at least 5 years.

A Contributing Membership form is available from any Board Member.
